Welcome to GCTYO!

Young people achieve amazing things at GCTYO. They develop their talents beyond what they thought possible and feel pride and joy in their accomplishments. Greater Connecticut Youth Orchestras' holistic approach to music education means we inspire and challenge students at every stage of their music development.

The study and performance of great music in an ensemble setting can be a transformative experience for young musicians and the skills they learn as part of a GCTYO ensemble—teamwork, perseverance and responsibility—carry over into all areas of their lives.

GCTYO has provided advanced music education and performance opportunities to exceptionally motivated young musicians since 1961. It has grown from a single orchestra affiliated with the Greater Bridgeport Symphony to ten distinct ensembles with more than 340 musicians in grades 5-12 today. GCTYO provides a developmentally sequential program of five ensembles: Principal, Bravura, Symphony, Concert, String and Wind Orchestras. In addition, there are two Jazz Orchestras, a Percussion Orchestra and a Chamber Orchestra comprised of the top musicians from Principal Orchestra. A full range of professional education, coaching and conducting by a staff of experienced music professionals, all of whom are teachers, supports these ensembles. Through rehearsals and formal concert performances, GCTYO's young musicians gain an appreciation for many types of music, valuable performing experience and an important sense of achievement.

GENERAL POLICIES AND PROCEDURES

GOOD STANDING

GCTYO expects its members to remain in good standing as participants in their respective school music programs, where they exist. "Good standing" is determined by the school program. Conflicts between school music activities and those of GCTYO should be brought to the conductors' attention as soon as possible.

ATTENDANCE

GCTYO members are expected to attend all rehearsals and performances that are published in the GCTYO calendar. If an orchestra member must miss a rehearsal, the ensemble conductor must be notified in advance if possible (not the executive director). Contact information is at the end of this handbook.

Excessive absences by a student will result in the player's exclusion from the concert performance. Attendance at dress rehearsals is mandatory. A student who is absent from the dress rehearsal may not be allowed to perform in the concert.

Each player in an orchestra is important. There are only a few acceptable reasons for missing a performance. A student who misses a concert may be dropped from the orchestra or may be moved back in the section. The consequences of excessive absences and/or missed dress rehearsals/concerts are at the discretion of the member's conductor in consultation with the Music Director.

GCTYO makes every effort to avoid conflicts when the GCTYO calendar is formulated. We plan around school vacations, religious holidays, CMEA auditions and festivals and the Fairfield County String Festival. We ask our members to pay attention to our calendar and avoid conflicts on their end as much as possible.

TARDINESS

GCTYO members are expected to be in their assigned seats with their instruments tuned and ready to play at the scheduled beginning of rehearsal. If the rehearsal begins at 9:00 am and the member arrives in the building at 9:00 am, the member is LATE! Three late arrivals constitute an absence. Conductors have the discretion to change seating or dismiss members who are perpetually late.

CELL PHONE USAGE

GCTYO members are allowed to use cell phones only during refreshment breaks or with the expressed permission of a GCTYO staff member. Any member who abuses this privilege may expect to have the cell phone confiscated until the completion of the rehearsal or performance. Members who repeatedly violate the policy may be dismissed from GCTYO.

Students may bring cell phones to rehearsal but the phone must be left in the student's instrument case during rehearsals and sectionals. Students found to have cell phones on them during rehearsals will get one warning. They will be asked to put the phone in their case. If students are found to have their cell phone a second time, the phone will be confiscated and will not be returned directly to the student. Only a parent will be able to retrieve the phone.

Exceptions will be made for students who use their cell phone to monitor a medical condition. A signed note from a parent will be required.

Students will be allowed to check their phones during break, but we will encourage them to leave their phones in their case while in the snack area. We want our students to be social, not staring at their phones.

In the event of an emergency requiring you to get in touch with your child immediately, you may call or text the Executive Director (203-209-4255), or your child's conductor, and we will relay your message and have your child contact you.

PERSONAL BEHAVIOR & BULLYING

GCTYO members are expected to maintain a personal standard of character and conduct which will be a credit to themselves, their parents, schools and communities. Students are expected to preserve and contribute to the wholesome atmosphere of devoted work and serious performance which distinguishes GCTYO. GCTYO members whose personal behavior at any level brings discredit to the organization may be subject to disciplinary action.

GCTYO students must abide by GCTYO's Anti-Bullying Contract as part of their membership in the organization:

Anti-Bullying Contract Student and Parent/Guardian Agreement

Everyone has the right to feel physically and emotionally safe at Greater Connecticut Youth Orchestras (GCTYO). Bullying is defined as intentionally aggressive behavior that can take many forms (verbal, physical, social, emotional, or cyber - or any combination of these); it involves an imbalance of power and is often repeated over time. The bullying can consist of one child bullying another or a group of children bullying another child or group of children.

Every member of GCTYO should enjoy it equally, and feel safe, secure, and accepted regardless of color, race, gender, popularity, musical ability, intelligence, religion, or nationality. Bullying can be pushing, shoving, hitting, and spitting, as well as name calling, picking on, making fun of, laughing at, or excluding someone. Bullying causes pain and stress to victims and is never justified or excusable as 'kids being kids,' 'just teasing,' or any other rationalization. The victim is never responsible for being a target of bullying.

Student's responsibility: As a member of the GCTYO community, I will do everything I can personally to create and preserve a physically and emotionally safe environment. I will strive to treat everyone with respect regardless of any differences. I commit that I will not bully my peers. If I witness bullying, I will report it to the Conductor of my ensemble or to the Music Director of GCTYO.

Parent/Guardian's responsibility: I commit to encouraging my child to always respect others. I will also respect all other adults (parents and staff) at GCTYO. I have instructed my child not to bully. I have advised my child to report any bullying to the Conductor of my child's ensemble or to the Music Director of GCTYO.

I understand that bullying may result in immediate expulsion from GCTYO.

PROPERTY

GCTYO strives to operate in a safe and effective manner and to be a responsible tenant at rented facilities. All members, families, employees and volunteers are expected to observe safety rules and show respect for the building, its occupants and its equipment. Note that our rehearsals take place in a public school. We are guests of the school and the school district. Students should be respectful of their surroundings and not touch or move anything that is part of the school unless asked to do so by a staff member or adult volunteer. Students are not allowed to wander around the building before, during or after rehearsal. They should go directly to their own practice rooms, the restrooms, or snack area. Elevators are to be used only by cello, bass, and baritone sax players, or if a student has difficulty walking or using stairs.

RULES OF CONDUCT AT TOMLINSON

Parents - Make sure your kids have read and understand these rules and act respectfully during their entire time at GCTYO.

1. Wandering around the building is strictly forbidden. Students should take the shortest route possible to their rehearsal and break spaces and may not go anywhere else.
2. Do not touch any school property. This includes white boards, bulletin boards, trash and recycling cans, items on desks, and any instruments in the music rooms or on stage that do not belong to GCTYO.
3. Food & drinks (snacks or lunch; exception is water) may not be carried or consumed anywhere in the building except the cafeteria. This includes hallways and the lobby. Chamber & Jazz musicians who need to eat before rehearsal must do it outside or in the cafeteria.
4. All students must go to the cafeteria with their group for break, even if they do not want snack. No students may remain in classrooms or hallways without adult supervision.
5. If a student is not picked up immediately after their rehearsal ends, they are to remain in the lobby until a parent or guardian arrives. Please be aware of your child's end time and arrive on time to pick them up.
6. Obey posted signs in the cafeteria, lobby and hallways.
7. Only students carrying a bass, cello, Bari sax or tuba, or an injured student, may use the elevator.
8. There are cameras up and running during our rehearsals on Saturday mornings and the school checks the footage on Monday. STUDENTS NOT FOLLOWING THE RULES WILL GET CAUGHT!

CONCERT ATTIRE

Male-Identifying: White long-sleeved dress shirt, black dress pants, black bow tie, black shoes and socks. Principal, Bravura & Jazz 1 Orchestras only: Add black jacket.

Female-Identifying: White long-sleeved blouse (tucked in or hip-length), long black skirt or black dress pants (no jeans, leggings, etc.), dress black shoes. Principal, Bravura & Jazz 1 Orchestras only: All black.

If you identify with both or neither of these categories, please wear what makes you most comfortable as long as it is within concert attire guidelines.

MUSIC POLICY

All music and folders are the property of GCTYO and are maintained in a library for continuing use. At the first rehearsal, each orchestra member is issued a folder containing music. The number on each piece of music should match the folder number. GCTYO music should remain in the GCTYO folder at all times, and it should not be folded or wrinkled. Any marks on the music must be made in pencil. It is the orchestra member's responsibility to maintain the music in good condition. Students who do not return the folder or music at the end of the year will be charged up to \$50 for replacement.

REHEARSAL CHANGES/CANCELLATIONS

GCTYO makes every effort to maintain the schedule and calendar distributed at the beginning of the season. However, unforeseen events can cause disruptions. In the event of weather complications, please know that we value members' safety above all else. If you think that rehearsal may be cancelled because of weather, check your email, the GCTYO website (www.GCTYO.org) and GCTYO Facebook page after 7:00 am. Decisions regarding cancellations/delays are generally made by that hour. You will be emailed regarding any change, provided GCTYO has your correct email address. Because GCTYO draws from a wide geographic area, the weather may not be the same throughout. Should rehearsal be held and you think that the weather in your area compromises your safety, please let your conductor know that you are not coming.

Rehearsal changes that can be anticipated will be announced as early as possible. Changes will be posted on the website, Facebook and Instagram, and members will be emailed.

DISMISSAL FROM REHEARSAL

Families are expected to pick up their children at the designated dismissal time from rehearsals, retreats and concerts. If a student cannot be picked up exactly at dismissal time, the Executive Director and conductor should be notified. The student should wait in the lobby area until a driver arrives. Note that GCTYO is not a babysitting service. Children who are not members of GCTYO should never be left at rehearsal unattended and student musicians should not be picked up more than 15 minutes after a rehearsal, concert or social activity ends. Under no circumstances should students wander around the building or the neighborhood after a GCTYO activity!

Students who are unattended and not where they are supposed to be will be given a warning. If the behavior is repeated, the student will be asked to leave the program.

RETREATS

GCTYO provides each ensemble with an annual retreat or social activity early in the season. Just as with regular rehearsals, attendance is mandatory. The purpose of the retreats is two-fold: A period of intense rehearsals, coupled with recreational activities, immensely improves the quality of the musical performances during the season. The social activities and rest periods give students the opportunity to get to know each other and bond into a cohesive group with common interests and goals. Retreats are held off-site so that they feel special. Retreat Permission Slips and Waivers must be submitted in order for musicians to participate.

COMMUNICATION

Most communication from GCTYO to families is by email. Be sure you provide up-to-date, accurate email addresses. If you are not receiving at least one email per week from GCTYO, then you may not be on the list or there may be an error with your email address. If that's the case, contact the Executive Director at GCTYO@GCTYO.org or call (203) 293-8447.

The website, www.GCTYO.org, is the other most important form of communication. Before asking staff or conductors, please check the website. Your question may easily be answered from the extensive information available there. Information such as the calendar, concert schedule, important forms, policies, trips and more can be found on the website. Other communication is done at the three parent meetings per season or at concerts.

THE ENSEMBLES

PRINCIPAL ORCHESTRA

GCTYO's Principal Orchestra is one of the most acclaimed youth ensembles in the region. The caliber of its 100 members is confirmed by GCTYO student selection for participation in Regional, All-State, All-New England, and National Music Festivals. The Principal Orchestra plays the world's great symphonic literature at a high level of performance and musicianship. In addition to three or more concerts per year at The Klein in Bridgeport, Principal Orchestra has performed throughout Connecticut and in a number of other states. Principal Orchestra is conducted by Music Director Christopher Hisey.

BRAVURA ORCHESTRA

Bravura....1 music: a musical passage requiring exceptional agility and technical skill in execution. 2: a florid brilliant style. 3: a show of daring or brilliance.

Bravura Orchestra was formed in 2019 to give advanced string musicians the unique experience of performing challenging chamber music in a small group setting. Bravura gives musicians the opportunity to hone their musical skills prior to entering Principal Orchestra. Bravura is conducted by Gjorgj Kroqi.

SYMPHONY ORCHESTRA

Symphony Orchestra made its debut in the 1997-98 season. Due to the number of students who auditioned for GCTYO and the high caliber of performance, Symphony Orchestra was created to provide an opportunity for advanced players to continue to develop musically prior to moving into Principal Orchestra. Symphony is conducted by Lynda Smith.

CONCERT ORCHESTRA

Concert Orchestra was formed in 1980 to accommodate younger musicians who demonstrate an interest in a youth symphony experience. Concert Orchestra provides its musicians with the opportunity to perform at an advanced level while gaining valuable experience and training prior to entering the Symphony Orchestra. Concert is conducted by Erica Messina.

STRING ORCHESTRA

The String Orchestra serves the needs of young string players by providing fundamental ensemble experience and a more individual relationship with the conductor and coaches. String Orchestra is conducted by GCTYO alumnus Bruce Sloat.

WIND ORCHESTRA

Wind Orchestra serves young wind and brass players by providing fundamental experience focused on acquiring the skills to participate in a full orchestra. Wind Orchestra is conducted by Brian Miller.

JAZZ ORCHESTRAS

Jazz Orchestra provides a different learning experience for participating students. GCTYO jazz musicians perform many pieces from the standard jazz repertoire, learn and practice the many facets of jazz improvisation and perform at GCTYO concerts and other venues. Jazz has been so popular that there are now two Jazz Orchestras, directed by Rex Cadwallader and Geoffrey Brookes.

PERCUSSION ORCHESTRA

Percussion Ensemble gives percussionists a full range of skills for orchestral percussion as well as percussion performance within a dedicated ensemble. Percussionists support all the orchestras at concerts plus perform their own music. The Ensemble is managed by the staff of the acclaimed Jim Royle Drum Studio and is conducted by GCTYO alumnus Brian Ente.

CHAMBER ORCHESTRA

Chamber Orchestra is GCTYO's newest ensemble. It is a showcase group comprised of the top students from Principal Orchestra. Limited to 30 musicians, this smaller ensemble can tackle baroque music and more difficult pieces not suitable for a very large orchestra.

HOW CAN I HELP GCTYO?

GCTYO has many volunteer opportunities for families of members, and in fact could not function without volunteers. Please consider getting involved! To volunteer, talk to any Board member or email the Volunteer Coordinator at volunteer@GCTYO.org. Please let us know how you can help.

CONCERTS

The Concert Committee is responsible for smooth operations on concert days, including recruiting and training volunteers. This committee also sells flowers and apparel at concerts.

CONTRIBUTIONS & ADVERTISING

Ads and "shout-outs" to musicians are sold and printed in all three regular concert program booklets and sometimes additional special programs. These ads provide another source of income for the organization. If you own your own business, consider advertising in the programs which reach up to 1,400 people each concert. Or ask stores or businesses that you frequent to purchase an ad. You'd be surprised at how easy it is!

Personal donations are always welcome and also acknowledged in the program booklets. The Internal Revenue Service recognizes GCTYO as a 501(c)(3) organization, and all donations are tax-deductible to the full extent of the law. Please check with your employer about matching contributions. GCTYO also participates in the online Fairfield County Giving Day each year in March. **Give by Oct. 10 to appear in the Fall Concert program book.**

FUNDRAISING ACTIVITIES

GCTYO generally undertakes one to two major fundraising activities each season. A chairperson and numerous volunteers are need for each. These organized fundraising activities provide additional program support funds. Regular fundraisers include wrapping gifts and performing at Barnes & Noble and a Silent Auction. GCTYO also sells apparel throughout the year and flowers at concerts. Other ideas are welcome.

GRANTS AND SPONSORSHIPS

GCTYO actively pursues corporate grants and sponsorships. We are most grateful that the Stratford Masonic Fraternity has underwritten a GCTYO Concert for many years. Concert sponsorship for the remaining two concerts is available. Other major contributors include Carstensen Foundation, Jones Foundation, Hoffman

Foundation, Kashulon Foundation, F.O.C.U.S., County Assemblies, and the Connecticut Office of the Arts, Dept. of Economic and Community Development. If you are aware of other companies or foundations which might grant funds to GCTYO, please email the Executive Director at ExecutiveDirector@GCTYO.org, call our voicemail at 203-293-8447 or mention it to any Board member. **GCTYO's exclusive Media Sponsor is WSHU Public Radio, 91.1FM.**

OPEN REHEARSAL

GCTYO holds two Open Rehearsals each year for interested students, parents and teachers: one in fall and another in spring. Attendees can observe all the ensembles in rehearsal, learn more about the organization and obtain audition information. Volunteers are always needed to give "tours" and answer questions. Refreshments are provided as well. New prospective members may audition after the fall Open Rehearsal and throughout the year if space is available.

REHEARSAL REFRESHMENTS

Volunteers are needed each rehearsal week to serve snacks. It's a great way to get to know GCTYO and other families. Please remember to sign up at least once during the year! Email snack@GCTYO.org to contact the Snack Coordinator.

STUDENT VOLUNTEER OPPORTUNITIES & STAGE CREW

Many volunteer opportunities with GCTYO are available to students, including weekly stage crew, mailings, and helping at concerts and events. Please email GCTYO@GCTYO.org to volunteer. Stage crew is staffed by students, supervised by several adults. Stage crew is responsible for setting up and putting away chairs, stands and percussion for weekly rehearsals and helping at special concerts if needed. Stage crew students form a special bond and contribute immeasurably to the organization. Students 16 years and older may choose to get paid for stage crew in lieu of volunteer hours.

BOARD OF DIRECTORS

The Board of Directors, with the support of parent volunteers, manages the affairs of GCTYO. The Board consists of officers and directors elected by GCTYO parents. Fundraising, hospitality and community-building, and policy-setting are just a few of the many areas in which the Board provides valuable leadership. If you are interested in becoming a Board Member, contact president@GCTYO.org or any other Board Member.
